Little Free Library @ Yea Community House

Building Community ~ Sparking Creativity ~ Inspiring Readers

Come on down and swap a book!

YOU CAN'T STEAL A FREE BOOK! Some people think they can, so they stop by, load up with good books and try to re-sell them. If you know or see someone in the self-serving 'book biz' please talk to them. Tell them many people are watching this library because WE LOVE IT!

Emergency Relief

If you find yourself in crisis and are in need of material or financial assistance, please call the Yea Community House (5797 3070) to make an appointment. During school terms, Emergency Relief appointments can be made by calling the Yea Community House on 03 5797 3070. Please note **during school holidays** in order to receive Emergency Relief you will need to call the SalvoCare emergency relief assistance line: **1300 371 288**

Little Food Pantry

The **Little Food Pantry** is a small food outlet for people with a genuine need or those who are on a limited income. It makes good food affordable and accessible. The food in our pantry is provided by Community donations and is also funded by St Lukes Op Shop. If you're on a low income, are unemployed, or struggling to get by, the **Little Food Pantry** will help stretch your budget. We have a variety of quality groceries and household products. The Food Pantry is located in the Library Foyer during opening hours.

Community Food Table

The table is a free, by donation or swap produce stand, in the foyer of the Yea Council library. People can pay as little or as much as they can afford, are encouraged to bring excess from their own gardens to donate, and to plant a little extra to share. Bring produce to Yea Community House or call the House if you need help picking/ bringing donations in.

Please bring in ANY garden excess no matter how small!

TerraCycle®

TerraCycle® is a social enterprise Eliminating the Idea of Waste®. In 21 countries, they tackle the issue from many angles. Nearly everything we touch can be recycled and Yea Community House is offering to collect typically non-recyclable item.

TerraCycle reuses, upcycles and recycles waste instead of incinerating or landfilling it. This moves waste from a linear system to a circular one, allowing it to keep cycling in our economy.

A program that takes hard-to-recycle materials from our programs, such as ocean plastic, and turn them into new products.

Millions of kilograms of valuable resources have been diverted from landfills all over the world.

We will accept:

- Pens, pencils, markers
- Oral care products (toothbrushes/toothpaste)
- Eye wear · Razors

We no longer accept coffee pods. These tend to fill fast and each recycle box costs the House \$380. We can no longer cover the cost.

Sewing Classes – Re-jig Workshop

Capacity: 6 people (aged 12 and up) **When:** Tuesdays

Time: 7pm-9pm (6 weeks starting 3 Oct to 7 Nov)

Cost: \$3/session

The idea of 'make do and mend' is something that is just as important today as it was back in the days of rationing during (and after) the second world war. People had to re-use and re-configure almost everything to make things 'last the distance or go entirely without.

With our modern reality of 'belt tightening' (if you have a belt) and environmental degradation due to massively increased waste, we would like to share some simple techniques and ideas to inspire you to 'made do and mend' in the most creative and satisfying way.

No sewing experience needed. Sewing machines provided

Choose your own project (help provided).

We will work with you to find out what you'd like to achieve!

Yea Community Garden

Unfortunately the garden in its current

location competes with the lovely big gum trees and we struggle to grow garden produce. Our team is researching funding opportunities and new ideas for the garden and compost area. So, even though we are at a standstill now, we have high hopes for the future of the garden.

Plant Swap

Please feel free to take home a plant from the table. The idea is to share plants with others in the community. So if you can bring back a plant for the table, someone else can take it home. Encourage other people to use our plant swap table too!

Seed Swap

We accept labelled seed donations from gardeners who have saved seeds or who have seeds to spare. Take the seeds you need in exchange for seeds or a donation. Grow your crops and save some seeds.
